

IMAGINE THE **PAWSIBILITIES**—A NEW HOME FOR THE PLACER SPCA

# Paving the Way to Success

The Placer SPCA was founded by the community for the community to enhance the lives of companion animals and support the human-animal bond. For 40 years, its mission has been sustained almost entirely by generous local support. Expanded community partnerships enabled the Placer SPCA to achieve notable recognition for excellence in all of its programs. Therefore, it will come as no surprise that the Placer SPCA is seeking to partner with the community to make this vision a reality.

We are in the homestretch of an ambitious campaign to raise funds for a much-needed new and larger animal care and adoption facility. Your gift to the Homestretch Campaign can make all the difference in giving the Placer SPCA the ability to start construction on this new animal care center. By contributing to the campaign, you will help save the lives of animals by supporting high-quality medical care, safe habitats and calming environments, and welcoming education and adoption areas that will be a part of the Center.

## Create an Honor Brick for Your Loved One

The front entrance to the Center will feature a brick-lined walkway where donors may contribute a brick to honor a pet, family member or other loved one, or simply celebrate any occasion! Support the new Placer SPCA Adoption & Education Center and buy a brick!

## A Perfect Match — Double the Impact of Your Gift!

When you make your gift, you'll be unleashing special matching funds for the campaign! A generous donor has agreed to match, dollar for dollar, the next \$100,000 in gifts made to the campaign. So the sooner you make your gift, the closer we will get to the finish line!

Please consider making a gift today. Every gift matters and every gift is appreciated.
