INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
The Placer County Society for the
Prevention of Cruelty to Animals
Roseville, California

We have audited the accompanying financial statements of Placer County Society for the Prevention of Cruelty to Animals ("Placer SPCA"), a nonprofit organization, which comprise the statements of financial position as of December 31, 2015 and 2014, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Placer SPCA, as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

THE PLACER COUNTY SOCIETY FOR THE PREVENTION OF CRUELTY TO ANIMALS

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

NOTE 1: ORGANIZATION

The Placer County Society for the Prevention of Cruelty to Animals (the "Placer SPCA") was established in 1973 and opened the shelter in Roseville, California in 1995. The mission of the Placer SPCA is to enhance the lives of companion animals and support the human animal bond.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Placer SPCA have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

The Placer SPCA presents its financial statements in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 958, Subtopic 205, *Not-for-Profit Entities – Presentation of Financial Statements* (FASB ASC 958-205). Under FASB ASC 958-205, the Placer SPCA is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. In addition, the Placer SPCA is required to present a statement of cash flows. Accordingly, the net assets of the Placer SPCA and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Placer SPCA and/or the passage of time.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that must be maintained permanently by the Placer SPCA.

Revenues and gains and losses on investments are reported as changes in unrestricted net assets unless use of the related assets is limited by donor-imposed stipulations. Expenses are reported as decreases in unrestricted net assets. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets. There were no permanently restricted net assets as of December 31, 2015 and 2014.

THE PLACER COUNTY SOCIETY FOR THE PREVENTION OF CRUELTY TO ANIMALS

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

In accordance with the provisions of FASB ASC 958-605, *Not-for-Profit Entities – Revenue Recognition* (FASB ASC 958-605), unconditional contributions are generally recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Unconditional promises to give (pledges) are recognized as revenues once a valid pledge has been received. The receivable and the corresponding revenue are recognized concurrently. Conditional contributions and pledges are recorded when the conditions have been met.

Unrestricted grants are recognized as support in the statement of activities upon receipt or accrual. The Placer SPCA reports certain grants as restricted support if they are received with grantor stipulations that limit their use.

The Placer SPCA solicits pledges and promises to give. Revenue from contributions is recognized when the donor makes a promise to give that is, in substance, unconditional. Donor-restricted contributions are reported as increases in temporarily restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. The Placer SPCA also receives revenue through fundraising activities and shelter operations.

Measure of Operations

In its statement of activities, the Placer SPCA includes in its definition of operations all revenues and expenses that are an integral part of its programs and supporting services.

Program Services

The following is a description of the Placer SPCA's programs:

Animal Care and Shelter Operations - The Placer SPCA provides shelter, specialized care, and medical treatment to thousands of homeless and abandoned animals each year at its Companion Animal Care Center in Roseville and the Pet Resource and Adoption Center in Auburn. For companion animals owned by residents of Placer County, the Placer SPCA offers free emergency pet food and financial assistance to make it possible for loved pets to stay with their owners. The Placer SPCA also offers monthly low-cost rabies vaccination clinics to the public to help pets stay healthy.

Shelter Transfer - The Placer SPCA envisions a day when every adoptable companion animal in Placer County has a home. The Placer SPCA therefore supports other local animal welfare and sheltering entities by transferring animals from their facilities into its Companion Animal Care Center for medical care and to facilitate adoptions.

Program Services (Continued)

PetMobile - The PetMobile is a state-of-the-art, 20-foot custom trailer that travels to areas throughout the county to showcase some of the wonderful animals available for adoption and the programs and services the Placer SPCA has available to the public.

Adoption Services - Through innovative programs and services, the Placer SPCA focuses on finding every adoptable animal in its care a loving forever home. The Placer SPCA provides adoption services at their main Center in Roseville and their Pet Resource and Adoption Center in Roseville. The Placer SPCA also has a satellite cat adoption center in Pet Food Express at Fountains, Roseville. Creative strategies are used to bring special attention to long-term or hard-to-adopt animals. Senior citizens (over age 55) can adopt an animal four years and older with no fee.

Behavior Program - Through independent evaluations, the Placer SPCA's Behavior Department strives to understand an animal's behavior and then take the necessary steps to modify unsatisfactory behavior. Offering free consultations as a resource to all dog and cat owners in Placer County, the Behavior Department helps to promote happy, healthy human-animal relationships. Long-term canine residents of the Placer SPCA receive positive training to keep them occupied and engaged, and to prepare them for life with their permanent families.

Animal Lost and Found - The Placer SPCA strives to reunite every lost companion animal in Placer County with the original owner. All dogs and cats adopted from the Placer SPCA are microchipped to facilitate them being found if ever lost. The Placer SPCA offers low-cost microchipping services to the public during all business hours. When owners redeem lost animals, they are offered microchipping at no additional cost. When a stray animal arrives at the Placer SPCA, staff and volunteers perform research to match lost animal reports or track down a new address for an existing microchip.

Humane Education - The Placer SPCA seeks a day when every animal is treated with kindness and respect, offering a variety of educational programs for youth and adults. Through the Humane Education Department, school-age youth and others can perform service projects that benefit the animals and provide lifelong lessons about compassion. The Placer SPCA also offers summer camps and after school programs for youth.

Thrift Store - The Placer SPCA operates a very successful thrift store, the revenue from which supports their many programs and services. The thrift store employs two part-time staff and is otherwise operated through the efforts of volunteers. Revenues from the thrift store for the years ended December 31, 2015 and 2014 totaled \$305,602 and \$287,773, respectively. Inventory at any point in time is valued at negligible amounts, and not recorded on the statement of financial position.

Program Services (Continued)

Spay/Neuter Services and Subsidies - The Placer SPCA envisions every Placer County resident having access to affordable spay and neuter services. The Placer SPCA partners with local veterinarians to offer a subsidized spay and neuter program. The United Auburn Indian Community Spay and Neuter Clinic, operated within the Placer SPCA's Companion Animal Care Center, allows the organization to perform on-site spay and neuter surgeries for adoptable animals in addition to owned pets and community cats.

Donated Services

Donated services are recognized as contributions in accordance with FASB ASC 958-605, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Placer SPCA.

Volunteers, businesses and others contribute goods and a substantial amount of services toward the fulfillment of projects initiated by the Placer SPCA. Services donated include assistance with animal care, shelter operations and fundraising events. Contributed materials consist mainly of supplies used in the shelter. Volunteers donated approximately 86,989 and 95,878 hours of service, during 2015 and 2014, respectively. These items are not recognized as contributions in the financial statements since the recognition criteria under FASB ASC 958-605 are not met.

Cash and Cash Equivalents

Cash equivalents consist of all highly liquid investments with original maturities of three months or less.

Concentration of Credit Risk

The Placer SPCA maintains its cash and cash equivalents in multiple bank deposit accounts which, at times, exceed the \$250,000 per depositor Federal Deposit Insurance Corporation insured limits. The Placer SPCA also has cash and cash equivalent funds invested with an investment company that is protected up to \$500,000 against institution failure by the Securities Investor Protection Corporation. As of December 31, 2015 and 2014, the uninsured portion was \$2,881,299 and \$677,787, respectively.

Credit risk for accounts receivable is concentrated because substantially all of the balance is receivable from one entity.

Accounts Receivable

Accounts receivable are believed to be fully collectible by management; therefore, no allowance for uncollectible accounts has been established.

NOTES TO FINANCIAL STATEMENTS

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Pledges Receivable

Pledges receivable consists of unconditional promises to give for the capital campaign. Pledges that are receivable in more than one year, net of an allowance for uncollectible amounts, are initially reported at fair value, estimated by discounting them to their present value at a risk-adjusted rate. Thereafter, amortization of discounts is recorded as additional contribution revenue. An allowance for uncollectible pledges is provided based upon management's judgment, considering such factors as prior collection history, type of contribution, relationship with donor, and other relevant factors.

Advertising

The Placer SPCA's policy is to expense advertising costs when the advertising first takes place. Advertising expense for the years ended December 31, 2015 and 2014, was \$27,748 and \$13,274, respectively.

Property and Equipment

Property and equipment, carried at cost if purchased or estimated fair market value if donated, is depreciated over the estimated useful life of the asset. The Placer SPCA's policy is to capitalize all assets valued at \$5,000 or more. Depreciation is computed on the straight-line method. Estimated useful lives are as follows:

| | <u>Life in Years</u> |
|-------------------------|----------------------|
| Furniture and equipment | 3 to 6 |
| Leasehold improvements | 3 to 24 |
| Buildings | 39 |

Fair Value Measurements

The Placer SPCA has adopted the provisions of FASB ASC 820-10, *Fair Value Measurements and Disclosures* (FASB ASC 820-10), which defines fair value, establishes a framework for measuring fair value, and expands disclosure requirements for fair value measurements.

FASB ASC 820-10 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Placer SPCA determines the fair values of its assets and liabilities based on the fair value hierarchy established in FASB ASC 820-10. The standard describes three levels of inputs that may be used to measure fair value (Level 1, Level 2 and Level 3). Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Placer SPCA has the ability to access at the measurement date. An active market is a market in which transactions occur with sufficient frequency and volume to provide pricing information on an on-going basis. Level 2 inputs are inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

Level 3 inputs are unobservable inputs for the asset or liability. Unobservable inputs reflect the Placer SPCA's own suppositions about the assumptions market participants would use in pricing the asset or liability (including assumptions about risk).

Unobservable inputs are developed based on the best information available in the circumstances and may include the Placer SPCA's own data. The fair values of investments are based on unadjusted quoted market prices within active markets.

Use of Estimates

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts of assets, liabilities and disclosures at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Income Taxes

The Placer County SPCA is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701d of the California Revenue and Taxation Code. Accordingly, no provision is made for federal or state income taxes. After they are filed, the Placer SPCA's income tax returns remain subject to examination by taxing authorities generally three years for federal returns and four years for state returns.

Functional Expense Reporting

The costs of providing program and supporting services have been summarized by function, based on estimates developed by management. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Reclassifications

Certain amounts in the 2014 financial statements have been reclassified, with no effect to change in net assets, to conform to the 2015 financial statement presentation. This includes reclassifications to cash and equivalents, other investments, salaries and wages, and financing pledges on the statement of cash flows.

Subsequent Events

Events and transactions have been evaluated for potential recognition or disclosure through December 21, 2016, the date that the financial statements were available to be issued.

If said actual costs are less than the amount of the City of Roseville's share, Placer SPCA shall refund the difference to the City of Roseville.
