

Be Kind to Animals

Poster Contest

Submission deadline: April 13, 2018

Poster Themes

1st and 2nd Grade

Be Kind and Always Love Your Pet: Be gentle, kind, and calm with your pet. Never hit, tease, or make your pet feel bad by chasing, riding, squeezing, or pulling its ears or tail. Each type of pet is different, so make sure you know what they need to be happy and healthy!

Adoption as Your First Option: All pets require different levels of commitment and care. Make sure you research a pet before you adopt. There are thousands of animals needing loving homes in animal shelters across the country.
