

# Career Cat Program

The Placer SPCA is looking for cat lovers who have secure outdoor structures and are interested in adopting alternative placement Career Cats. These cats are best suited for:

## Placement Options:

- Barns
- Shops/storefronts
- Vineyards
- Storage areas
- Supply yards & more!

## Adoption Process:

We will do our best to match up a cat with your particular circumstance. Due to the nature of the program, we may not have suitable cats available immediately. If a suitable cat is not available at the time of your initial request, we will add you to a waiting list and contact you when we have a cat that fits your needs. You will be asked to sign an adoption contract prior to finalizing your adoption. The adoption fee is waived!

## All cats in the Career Cat Program have been:

- Spayed or neutered
- Microchipped
- Rabies and FVRCP vaccinated
- Tested FELV/ FIV negative
- Examined and treated for ear mites

## As a caretaker, you are required to provide:

- The ability and commitment to keep the cat(s) confined to an enclosed area or exercise pen with a secure top to prevent escape for at least four weeks. This allows the cat(s) to become acclimated to the new environment before release so they stay on the property.
- A warm, secure, dry barn or building where the cat(s) can live.
- A clean litter box that is scooped and/or cleaned daily while confined.
- A constant supply of dry food and fresh water.
- A safe area, where you can monitor the overall well-being of the cat(s).
- The willingness to trap and provide veterinary care as needed.

**For more information about the Placer SPCA Career Cat Program or to adopt a Career Cat, please call (916) 782-7722 ext. 6170 or email [brittneyg@placerspca.org](mailto:brittneyg@placerspca.org)**
