

Thank you for considering an item donation to the Placer SPCA Thrift Store! Proceeds from sales at the Thrift Store help the Placer SPCA achieve its vision that every adoptable companion animal in Placer County has a home.

Due to the cost associated with disposing of items that cannot be sold at the store, we kindly ask that you donate items only on the "yes" items list. If you have an item you would like to donate but are unsure if it will be accepted, please contact the Thrift Store at (916) 782-2434 before bringing it in.
