Do you have a barn, vineyard, storage area or other large property?

If so, a Career Cat might be right for you!

How does it work?
We will do our best to match up a cat with your particular circumstance. Once we find what we believe to be the right fit, you will be asked to sign an adoption contract to finalize the adoption. The adoption fee is waived!

What does the adoption include?
All cats in the Career Cat Program have been:
- Spayed or neutered
- Microchipped
- Rabies and FVRCP vaccinated
- Tested FELV/ FIV negative
- Examined and treated for fleas and ear mites

For more information or to adopt a Career Cat, contact us at (916) 782-7722 ext. 6170 or brittneyg@placerspca.org
