PLACER SPCA

HELP PAVE THE WAY TO SUCCESS

The Placer SPCA was founded by the community for the community to enhance the lives of companion animals and support the human-animal bond. For 45 years, our mission has been sustained almost entirely by generous local support.

We are excited to share that we have moved into our new forever home - the Placer SPCA Adoption & Education Center! Thanks to your continued support, you have helped realize that the "pawsibilities are endless." By purchasing a brick for the new home of the Placer SPCA, you are helping to make a positive impact on thousands of people and animals every year.
