Planned Giving

Leave a Legacy for Placer County's Most Vulnerable Pets

A few sentences can make an extraordinary impact.

Placer SPCA assists thousands of people and their pets in Placer County every year. Through a charitable bequest in your will or living trust, you can help us ensure that our community is taken care of for many years to come. All that is needed is a short statement in your will or trust.

Residual (after other bequests or designations are named)

"I give to the Placer County Society for the Prevention of Cruelty to Animals (Tax ID# 94-2607682), the rest and residue of my estate to be used by the Placer County Society for the Prevention of Cruelty to Animals wherever the need is greatest."

Portion or specific amount

"I give to the Placer County Society for the Prevention of Cruelty to Animals (Tax ID# 94-2607682) ___% (or the sum of ___) of my estate to be used by the Placer County Society for the Prevention of Cruelty to Animals wherever the need is greatest."

The above wording is a suggestion; please consult your attorney or an estate planning professional when preparing legal documents. If you do not have legal counsel, we can provide a list of attorneys.

What other opportunities exist for planned giving?

In addition to wills and trusts, there are many other ways to give that may be beneficial to yourself, your family, and your favorite charity. Popular options include:

- Adding Placer SPCA as a beneficiary to your IRA/401k, life insurance policy, annuity, or Donor Advised Fund (DAF)
- Creating a Charitable Remainder Trust (CRT) or Living Trust
- Transferring other assets such as real estate or appreciated stock to Placer SPCA

What happens after I decide to make a planned gift?

By making a planned gift to Placer SPCA, you are eligible to join our Circle of Hope, made up of people like you who care about animals — and want to help other animals find their way into the hearts and homes of people who will love them. As a Circle of Hope member, you will receive invitations to exclusive gatherings and have the option for special recognition.

Surviving Pets Program

Often people forget to make plans for their pets in the event that something happens to them. Placer SPCA established the Surviving Pets program as a way to help animal lovers ensure proper care for their pets in the case they predecease them.

The Surviving Pets program is a free benefit to our Circle of Hope members and our Paw Club supporters that donate a minimum of \$1,000 and renew annually.

To learn more about these options, call us at (916) 872-6166 or email plannedgiving@placerspca.org. We can help you begin the process of determining what might be best for you, and provide you with a list of local estate attorneys and/or financial planners to advise you in the steps you may wish to follow.
