What will happen to your pets if something happens to you?

It is recommended that you seek legal advice in designating a caregiver or contingent caregivers in your will or estate plan to provide care for your pets should you predecease them. If you do not know anyone who would be willing to take your pets if something happens to you, you may want to consider a program like the Placer SPCA’s Surviving Pets Program. Contact plannedgiving@placerspca.org or 916-872-6166
