INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
The Placer County Society for the
Prevention of Cruelty to Animals
Roseville, California

Opinion

We have audited the accompanying financial statements of the Placer County Society for the Prevention of Cruelty to Animals (a nonprofit organization), which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Placer County Society for the Prevention of Cruelty to Animals as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Placer County Society for the Prevention of Cruelty to Animals and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate,

9261 Sierra College Boulevard Roseville, California 95661

916.751.2900 916.751.2979 FAX pccllp.com that raise substantial doubt about the Placer County Society for the Prevention of Cruelty to Animals' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Placer County Society for the Prevention of Cruelty to Animals' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Placer County Society for the Prevention of Cruelty to Animals' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS December 31, 2023 and 2022

NOTE 1: ORGANIZATION

The Placer County Society for the Prevention of Cruelty to Animals (the "Placer SPCA") was established in 1973 and opened the shelter in Roseville, California in 1995. The mission of the Placer SPCA is to enhance the lives of companion animals and support the human animal bond.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Placer SPCA have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

The Placer SPCA presents its financial statements in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 958, Subtopic 210 (FASB ASC 958-210), Presentation of Financial Statements of Not-for-Profit Entities. Under FASB ASC 958-210, the Placer SPCA is required to report information regarding its financial position and activities according to the following two classes of net assets:

Net assets without donor restrictions - Net assets that are not subject to stipulations.

Net assets with donor restrictions - Net assets that are subject to stipulations that will be met by actions or the passage of time.

Revenues and gains and losses on investments are reported as changes in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as changes in net assets without donor restrictions. Expirations of donor restrictions on net assets are reported as reclassifications between the applicable classes of net assets.

Donor-restricted contributions are reported as revenues which increase net assets with donor restrictions. Expirations of donor restrictions on contributions whose restrictions are met in the same reporting period have been reported as reclassifications between the applicable classes of net assets.

The Placer SPCA follows the provisions of Accounting Standards Update (ASU) No. 2018-08 "Not-for-Profit Entities (Topic 958)". The ASU provides an update to clarify and improve the scope and the accounting guidance for contributions received and contributions made. The amendments in this update should assist entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of Topic 958, Not-for-Profit Entities, or as exchange (reciprocal) transactions subject to other guidance and (2) determining whether a contribution is conditional.

NOTES TO FINANCIAL STATEMENTS December 31, 2023 and 2022

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

In accordance with the provisions of FASB ASC Topic 958-605, *Not-for-Profit Entities – Revenue Recognition* (FASB ASC 958-605), unconditional contributions are generally recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Unconditional promises to give (pledges) are recognized as revenues once a valid pledge has been received. The receivable and corresponding revenue are recognized concurrently. Conditional contributions and pledges are recorded when the conditions have been met.

Unrestricted grants are recognized as support in the statement of activities upon receipt or accrual. The Placer SPCA reports certain grants as restricted support if they are received with grantor stipulations that limit their use.

The Placer SPCA solicits pledges and promises to give. Revenue from contributions is recognized when the donor makes a promise to give that is, in substance, unconditional. Donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to unrestricted net assets. The Placer SPCA also receives revenue through fundraising activities and shelter operations.

The Placer SPCA has adopted the provisions of FASB ASC 606 as revised by ASU 2014-09, *Revenue from Contracts with Customers* (Topic 606). These provisions focus upon the satisfaction of performance obligations, which represent the unit of accounting for recognizing revenue when promised goods or services are transferred and in an amount that reflects the consideration to which the Placer SPCA expects to be entitled in exchange for those goods or services.

Programs services, including adoption services and spay/neuter services, are considered to be a single performance obligation satisfied at the time the services are performed and compensated through fees charged for these services. The Placer SPCA's fees are recognized in the accounting period they are earned.

Measure of Operations

In its statement of activities, the Placer SPCA includes in its definition of operations all revenues and expenses that are an integral part of its programs and supporting services.

Program Services

The following is a description of the Placer SPCA's programs:

Animal Care and Shelter Operations - The Placer SPCA provides shelter, specialized care, and medical treatment to thousands of homeless and abandoned animals each year at its Companion Animal Care Center in Roseville and the Pet Resource and Adoption Center in Auburn. For companion animals owned by residents of Placer County, the Placer SPCA offers free emergency pet food and financial assistance to make it possible for loved pets to stay with their owners. The Placer SPCA also offers low-cost rabies vaccinations to the public to help pets stay healthy.

Shelter Transfer - The Placer SPCA envisions a day when every adoptable companion animal in Placer County has a home. The Placer SPCA therefore supports other local animal welfare and sheltering entities by transferring animals from their facilities into its Companion Animal Care Center for medical care and to facilitate adoptions.

PetMobile - The PetMobile is a state-of-the-art, 20-foot custom trailer that travels to areas throughout the county to showcase some of the wonderful animals available for adoption and the programs and services the Placer SPCA has available to the public.

Adoption Services - The Placer SPCA completed and moved into their new adoption and education center in June of 2018. This beautiful 20,000 square foot best in animal welfare practices hospital quality facility is designed to maintain animal health and well-being. The home-like atmosphere contributes to how calm and content the animals are in their cozy habitats. Through innovative programs and services, the Placer SPCA focuses on finding every adoptable animal in its care a loving forever home. In addition to their new adoption and education center, the Placer SPCA provides animal care and adoption services at their Pet Resource and Adoption Center in Auburn. The Placer SPCA also has a satellite cat adoption center in Pet Food Express at Fountains, Roseville. Creative strategies and promotions are used to bring attention to long-term or harder to adopt animals. Senior citizens (over age 55) can adopt an animal five years and older with no fee.

Behavior Program - Through a progressive holistic review process, the Placer SPCA's Behavior Department strives to understand each individual animal's behavioral needs. When behavior challenges are identified, individual behavior intervention plans are developed and implemented for all animals while in care. The behavior team provides free behavior consultations to adopters and as a resource to all dog and cat owners in Placer County. The Behavior Department helps to promote happy, healthy human-animal relationships. Feline and canine guests at the Placer SPCA receive enrichment and positive training to keep them occupied and engaged, and to prepare them for life with their permanent families.

Program Services (Continued)

Animal Lost and Found - The Placer SPCA strives to reunite every lost companion animal in Placer County with the original owner. All dogs and cats adopted from the Placer SPCA are microchipped to facilitate them being found if ever lost. The Placer SPCA offers low-cost microchipping services to the public during all business hours. When owners redeem lost animals, they are microchipped at no additional cost. When a stray animal arrives at the Placer SPCA, staff and volunteers perform research to match lost animal reports or track down a new address for an existing microchip.

Humane Education - The Placer SPCA seeks a day when every animal is treated with kindness and respect, offering a variety of educational programs for youth and adults. Through the Humane Education Department, school-age youth and others can perform service projects that benefit the animals and provide lifelong lessons about compassion.

Thrift Store - The Placer SPCA operates a very successful thrift store, the revenue from which supports their many programs and services. The thrift store employs one full-time and one part-time staff and is otherwise operated through the efforts of volunteers. Revenues from the thrift store for the years ended December 31, 2023 and 2022 totaled \$340,148 and \$337,097, respectively. Inventory at any point in time is valued at negligible amounts and not recorded on the statement of financial position.

Spay/Neuter Services and Subsidies - The Placer SPCA envisions every Placer County resident having access to affordable spay and neuter services. The Placer SPCA partners with local veterinarians to offer a subsidized spay and neuter program. The United Auburn Indian Community Spay and Neuter Clinic, operated within the Placer SPCA's Companion Animal Care Center, allows the organization to perform on-site spay and neuter surgeries for adoptable animals in addition to owned pets and community cats.

Donated Services

Donated services are recognized as contributions in accordance with FASB ASC 958-605, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Placer SPCA. Volunteers, businesses and others contribute goods and a substantial amount of services toward the fulfillment of projects initiated by the Placer SPCA. Services donated include assistance with animal care, shelter operations and fundraising events.

NOTES TO FINANCIAL STATEMENTS December 31, 2023 and 2022

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Donated Services (Continued)

Contributed materials consist mainly of supplies used in the shelter. Volunteers donated approximately 64,541 and 68,931 hours of service, during 2023 and 2022, respectively. These items are not recognized as contributions in the financial statements since the recognition criteria under FASB ASC 958-605 are not met.

Cash and Cash Equivalents

Cash equivalents consist of all highly liquid investments with original maturities of three months or less. Certificates of deposit with maturity over 90 days are reported at their cost plus accrued interest.

Concentration of Credit Risk

The Placer SPCA maintains its cash and cash equivalents in multiple bank deposit accounts which, at times, exceed the \$250,000 per depositor Federal Deposit Insurance Corporation insured limits. The Placer SPCA also has cash and cash equivalent funds invested with an investment company that is protected up to \$500,000 against institution failure by the Securities Investor Protection Corporation. As of December 31, 2023 and 2022, the uninsured portion was \$585,664 and \$690,993, respectively. The Placer SPCA has not experienced any losses on these accounts and management believes the Placer SPCA is not exposed to any significant risk on cash accounts.

Credit risk for accounts receivable is concentrated because substantially all of the balance is receivable from one entity.

Accounts Receivable

Accounts receivable are believed to be fully collectible by management; therefore, no allowance for credit losses has been established.

Pledges Receivable

Pledges receivable consists of unconditional promises to give for the capital campaign. Pledges that are receivable in more than one year, net of an allowance for uncollectible amounts, are initially reported at fair value, estimated by discounting them to their present value at a risk-adjusted rate. Thereafter, amortization of discounts is recorded as additional contribution revenue. An allowance for uncollectible pledges is provided based upon management's judgment, considering such factors as prior collection history, type of contribution, relationship with donor, and other relevant factors.

Advertising

The Placer SPCA's policy is to expense advertising costs when the advertising first takes place. Advertising expense for the years ended December 31, 2023 and 2022, was \$15,102 and \$15,396, respectively.

NOTES TO FINANCIAL STATEMENTS December 31, 2023 and 2022

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment

Property and equipment, carried at cost if purchased or estimated fair market value if donated, is depreciated over the estimated useful life of the asset. The Placer SPCA's policy is to capitalize all assets valued at \$5,000 or more. Depreciation is computed on the straight-line method. Estimated useful lives are as follows:

	Life in Years
	2
Furniture and equipment	3 to 6
Leasehold improvements	3 to 24
Buildings	39

Fair Value Measurements

The Placer SPCA has adopted the provisions of FASB ASC 820-10, Fair Value Measurements and Disclosures (FASB ASC 820-10), which defines fair value, establishes a framework for measuring fair value, and expands disclosure requirements for fair value measurements. FASB ASC 820-10 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Placer SPCA determines the fair values of its assets and liabilities based on the fair value hierarchy established in FASB ASC 820-10. The standard describes three levels of inputs that may be used to measure fair value (Level 1, Level 2 and Level 3).

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Placer SPCA has the ability to access at the measurement date. An active market is a market in which transactions occur with sufficient frequency and volume to provide pricing information on an on-going basis. Level 2 inputs are inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. Level 3 inputs are unobservable inputs for the asset or liability.

Unobservable inputs reflect the Placer SPCA's own suppositions about the assumptions market participants would use in pricing the asset or liability (including assumptions about risk). Unobservable inputs are developed based on the best information available in the circumstances and may include the Placer SPCA's own data. The fair values of investments are based on unadjusted quoted market prices within active markets.

NOTES TO FINANCIAL STATEMENTS December 31, 2023 and 2022

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts of assets, liabilities and disclosures at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Income Taxes

The Placer SPCA is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701d of the California Revenue and Taxation Code. Accordingly, no provision is made for federal or state income taxes. After they are filed, the Placer SPCA's income tax returns remain subject to examination by taxing authorities generally three years for federal returns and four years for state returns.

Program and Functional Expenses

The costs of providing program services have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Costs specifically identified with programs or fundraising are directly allocated to those functions. All costs not identifiable with a specific program or fundraising activity, but indispensable to the conduct of such programs and activities and to the Placer SPCA's existence, are included as management and general expenses. Expenses that benefit more than one function of the Placer SPCA are allocated among the functions based generally on the amount of time and effort spent by personnel on each function.

Leases

The Placer SPCA presents its leases in accordance with the provisions of FASB ASC 842, *Leases*. Leases with an initial term of 12 months or less, which are not expected to be renewed beyond one year, have not been recorded on the statement of financial position and are recognized as lease expense on a straight-line basis over the lease term.

Contributed Nonfinancial Assets

Placer SPCA recognized contributed nonfinancial assets within in-kind revenue, including contributed services and other goods. Contributions in-kind, when received, are recognized at fair market value. The majority of contributed nonfinancial assets was used for consulting and outside services and veterinary/animal care. Unless otherwise noted, contributed nonfinancial assets did not have donor-imposed restrictions.

Implementation of New Accounting Standard

On January 1, 2023, the Placer SPCA adopted FASB Accounting Standards Update 2016-13, Financial Instruments – Credit Losses, and all related subsequent amendments. The guidance significantly changed how the Place SPCA will measure credit losses for most financial assets and certain other instruments that are not measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing the Placer SPCA's exposure to credit risk and the measurement of credit losses. Financial assets held by the Placer SPCA that are subject to this guidance were trade accounts receivables.

The Placer SPCA adopted the standard effective January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in new or enhanced disclosures.

The Placer SPCA adopted the standard using a modified retrospective method for all financial assets measured at amortized cost and off-balance-sheet credit exposures. Results for reporting periods beginning after January 1, 2023, are presented under the standard, while prior period amounts continue to be reported in accordance with previously applicable GAAP.
