

FOSTER CARE AGREEMENT

I agree that all foster animals placed in my home by the Placer SPCA will be cared for in a loving and humane way.

I understand that animals “rescued” from other facilities cannot be a part of the Placer SPCA’s foster program. Further, I understand that all strays should be relinquished to the appropriate shelter for the legally required holding period so that owners may have an opportunity to find them.

I agree to contact Placer SPCA immediately if my foster animal is missing or lost.

I agree to return the fostered animal to the shelter when requested.

I understand the Placer SPCA retains custody of the animal until it is placed into a permanent home and appropriate adoption paperwork is completed.

I understand the Placer SPCA cannot be held responsible for damages incurred by the fostered animals (screen doors, carpet stains, etc...).

I understand that while in my care I will contact only Placer SPCA regarding any behavior or medical needs, and will not seek assistance outside of the Placer SPCA.

I acknowledge that the Placer SPCA is not responsible for assuring the health of a foster animal or assuring the temperament of a foster animal.

I agree to inform the Placer SPCA immediately if the foster animal show any aggressive or other concerning behaviors, or becomes ill.

I agree to keep my foster animal(s) indoors, housed as determined per individual animal by Placer SPCA, and will not interact with household pets UNLESS an exception is given by a Foster Department Representative.

I agree to keep my resident animal(s) current on all vaccinations recommended by my personal veterinarian.

I understand that the Placer SPCA will not reimburse me for any medical expenses incurred for my own animals as a result of entering into this foster agreement.

I understand that the Placer SPCA will not reimburse me for medical expenses incurred by taking a foster animal to the veterinarian without consent of a manager.

I understand that the Placer SPCA will accept the animal back at any time for any reason.

I hereby agree to the foregoing,
